

**Icon Writing Retreat—
“A Glimpse of
The Kingdom” featuring:
Teresa Harrison
August 22-27, 2010**

Beginning: 4:00pm Sunday
Ending: 9:00am Saturday

Teresa Harrison will be teaching iconography, called icon writing; which is actually a painting process. Iconography introduces ancient Greek and Russian artistic styles.

This is a beginner course, but experienced iconographers will also find it rewarding. No art experience is needed just a willingness to allow God to work through the step by step process. Each brush stroke is intended to be a prayer. This six-day retreat includes the Eucharist, Gregorian chant, praying with icons, readings, silence as well as lively group conversation, free time and social hours. Icons will be written in Jo Sonia acrylic paint and gold leaf.

This year the retreat will focus on the Festival Day icon of the Transfiguration by Theophanes the Greek from the late 14th century.

Professor Alex Boguslawski from Rollins College will provide several evening lectures.
