

The Baptism of Christ

Teresa Harrison will be teaching iconography, called icon writing; which is actually a painting process. Iconography introduces ancient Greek and Russian artistic styles.

This is a beginner course, but experienced iconographers will also find it rewarding.

No art experience is needed just a willingness to allow God to work through the step by step process. Each brush stroke is intended to be a prayer.

This six-day retreat includes the Eucharist,

Gregorian chant, praying with icons, readings, silence as well as lively group conversation, free time and social hours.

Icons will be written in Jo Sonia acrylic paint and gold leaf, a medium which most closely resembles the traditional egg tempera. This year the focus of the retreat is The Baptism of Christ and St. George and the Dragon. Other icon choices are also available. Contact Teresa / tshart2@gmail.com.
